

## Falling Through Glass

Emmi Maeda comes into possession of an antique and plunges through time into feudal Japan and the world of samurai. Los Angeles, present day Emiko Emmi Maeda sets aside her studies following the sudden death of her father. Estranged from her mother and brother and burdened with guilt over her role in the tragic accident, she moves in with her godfather Jake and comes into possession of an antique mirror. While accompanying Jake to Japan on a film shoot, Emmi is caught in a freak storm and plunged through time into the land of her ancestors. Kyoto, 1864 The city of Kyoto is ablaze with violence and on the brink of civil war. Nakagawa Kaemon is a young samurai with a secret. He gathers information on those who claim to revere the emperor but harbor their own agenda to control the country. Kae is honor-bound to execute anyone who poses a threat to the throne even if it is Emmi, the unusual young woman he has come to love.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
