

Internet Retail Operations: Integrating Theory and Practice for Managers (Supply Chain Integration Modeling, Optimization and Application)

The increasing popularity of online shopping makes Internet retailing a megatrend that cannot be ignored. The collaboration of two co-authors bringing academic rigor and broad consulting experience into the mix, *Internet Retail Operations: Integrating Theory and Practice for Managers* offers enduring insights on operational issues and principles for the management of internet supply chains. Covering a range of emerging issues supported by a variety of case studies, the book details the evolution of information technology's role in retail supply chain networks, its impact on supply chain networks, and how this has changed service operations. It addresses information technology in relation to service and retail industries, then explores how supply chain dynamics impact traditional service and retail delivery, the costs involved, and customer satisfaction and loyalty. It includes tables, vignettes, and graphs that make the content practical and relevant. As you will learn, many attempts at internet retail do not succeed, some because they fail to appreciate the fundamentals, others may have simply been ahead of their time. Many years of experimentation and growth lie ahead. Drawing equally on theory, research results, and real-world experience, the book provides strategies for overcoming the challenges of building operations capability in the evolving world of Internet retailing.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
