

Listening in Dreams: A Compendium of Sound Dreams, Meditations And Rituals for Deep Dreamers

I am waking up, moving through deep layers of sleep-my dream changes-a lively band is playing over in the corner of the room-a small dance floor. I step out from the table and begin to move in time to the music. Im aware of shadowy figures watching me. Listening in Dreams is a journey into the fascinating world of sound and dreams. Begin an exploration in these pages that you can continue every night during sleep. Learn how to create rituals and play with dreams with your friends and family.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
