

Hay and Heartbreak (Mossy Glenn Ranch Book 7)

Hay and Heartbreak by Bailey Bradford Book seven in the Mossy Glenn Ranch series There's more than one way to imprison a man. Daniel Edmonds spent almost a decade in prison for a crime he didn't commit. After finally having his name cleared, he'd hoped things would get easier, but people still look at him like he's a murderer, and talk about him in hushed voices as he walks past. When he discovers that he really can't go home again, he has to decide what to do to survive. Adapting to the outside world isn't easy, especially for a man alone. Fear of temptation to fall back into his old ways scares Daniel into near-seclusion. When given the chance to help his brother Duke and brother-in-law, Frankie, Daniel agrees. His pride takes a hit when he has to let them buy his plane ticket to Montana, but Daniel's learning that family is more important than anything else. That's what he tells himself, although maybe he's running, just a little, and not just trying to help Duke and Frankie. One thing is for certain he doesn't mind spending a little time on the Mossy Glenn Ranch. Hector Gallegos works hard and keeps his head down. He hasn't been interested in more than the occasional hook-up here and there. He's growing tired of that lifestyle, though, after seeing so many happy couples and one treble at the Mossy Glenn. When Dan Edmonds shows up to visit his brother, Duke, Hector can't help but notice the man. Dan's scarred face doesn't dim the attraction that immediately flares between him and Hector. Lust comes easy, but building something that will last is a challenge. The Mossy Glenn Ranch series The Mossy Glenn Ranch used to be a successful spread, but two demented owners in a row put an end to that. Although it was sold out from underneath them, three siblings re-purchase as much of the property as they can, and hire three men, Carlos, Will and Troy from Where There's a Will, to bring the ranch back to

the productive state it once was in. Will convince them to make the ranch a haven for those cowboys and cowgirls who can't be themselves on other ranches. He wants a home for not only him and his men, but he wants a family for them, too. The different people who live and work at the ranch bring something special to it. Their lives are as twined together as their stories. About Bailey Bradford A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesn't happen much. Writing is too much fun, and there are too many characters bouncing about, tapping on Bailey's brain demanding to be let out. Caffeine and chocolate are permanent fixtures in Bailey's office and are never far from hand at any given time. Removing either of those necessities from Bailey's presence can result in what is known as A Very, Very Scary Bailey and is not advised under any circumstances.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
