

The Little Energy Guide 1: Take Care of Your Own Energy

We spend most of our time with nice, happy people people we care about and wed like to help and support in the best way possible. Once in a while, however, we come across people who are not good for us. These are people who try to gain access to our energy in a variety of different ways, and who we should watch out for whenever they are near us. We need to take particular care of our energy as, subconsciously, that is what these people want to get hold of. This little pocket guide can teach you how to do that. By reading the energy guide and following the instructions, you will quickly experience how, consciously, you can hold onto your energy and so be in the best position to make the most of your life. When you buy The Little Energy Guide 1 in our online shop it is delivered in a handy A6 paper size, while Amazon and all other English speaking Internet bookstores deliver the book in an almost A5 paper size.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
