

Michigan Recreation Atlas (National Geographic Recreation Atlas)

National Geographic's Michigan Recreation Atlas is the ideal resource for any recreation activity from hunting and fishing to camping, golfing, hiking, and more. This durable, easy-to-use atlas includes up-to-date topographic maps, a comprehensive road network, informative recreation guides, and a detailed index. All road types are clearly identified, making each atlas a useful planning tool for motorcycle and off-road adventures. Maps include bold boundaries for parks and federal lands, and clearly labeled lakes, rivers, and streams. On each map page you will find a convenient map legend, easy-to-read page numbers, a latitude and longitude grid for use with GPS, and fact-checked points-of-interest. Also included are cross-referenced charts of fishing areas with species information, game management units, campgrounds and attractions charts, state park maps and facilities, hiking, golfing, skiing and paddling destinations, climate information, and more. Detailed topographic maps with shaded relief for the entire state. Map scale is 1:175,000 Each labeled feature is up-to-date and verified by satellite image Comprehensive, easy-to-read road network Boundaries for parks and federal lands Clearly-labeled lakes, rivers and streams Durable laminated cover Size 11x15 Robust travel and recreation information- Cross-referenced chart of fishing areas with species information- Game management units- Campgrounds and attraction charts- State Parks maps and facilities- Hiking, golfing, skiing and paddling destinations- Climate information Map Scale = 1:175,000 Folded Size = 10.75 x 15.5

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will be saved.

will rejoice in the heavens.
