

Educational Success: Parents Guide for Your Childs Education

Veteran school teacher and college professor, Nicholas Pond, shares the secrets for helping your child get the most out of their education, no matter their age, or where they go to school. This is a must read for every family with children! Easy to read and very entertaining. Among the topics he covers are: Sculpting a Scholar, the different stages of learning and how to deal with them, incorporating music into study time, the Wisdom Wall, self-esteem, True Educators, truths about education and many more.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
