

Thinking with Demons: The Idea of Witchcraft in Early Modern Europe

This major work offers a new interpretation of the witchcraft beliefs of European intellectuals between the fifteenth and eighteenth centuries, showing how these beliefs fitted rationally with other beliefs of the period and how far the nature of rationality is dependent on its historical context.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
