

The Complete Guide to League 8 Ball

This is a complete guide covering everything anyone needs to know about playing the game of eight ball in a league. Applying the principles in this book will improve the skills of both beginning and experienced players. This book not only teaches the physical nuances of how to shoot, it also covers the mental aspects with heavy emphasis on strategy and safety play. Other topics covered are, thought processes, working as a team, etiquette, coaching, and stages of player development. This book includes one of the best explanations of how to use the diamond system. It includes over one hundred pictures and illustrations. Even if you dont play in a league, but you love to shoot eight ball you will find this book indispensable. Keep this wonderful book with you on league nights, or as a reference when doing drills or practicing. The second revision corrected a few errors, added information about equipment, and improved the display of pictures are diagrams. If you bought this book and dont have the second revision please download it.
