

## Brazen (Regency Flings)

Margo Maguire is a masterful storyteller. Lorraine Heath The young and beautiful Lady Fairhaven is Brazen which is why she is willing to resort to blackmail to coerce a brave, if troubled, captain into helping her rescue her endangered brother. The incomparable Margo Maguire follows the success of her Romantic Times Top Pick, *Seducing the Governess*, with the second in her two-book historical romance mini-series set in England's colorful Regency Era, about the lost and found granddaughters of a powerful duke. As every fan of the exciting, emotionally rich historical romance of Liz Carlyle and Julia London will be thrilled to discover, Margo Maguire's unabashed mastery of the Regency romance is unsurpassed and downright Brazen!
