

Entice (Embrace)

The war between Exiles and Angels is on and she's wanted by both sides. The hotly anticipated follow-up to Embrace, Entice ramps up the captivating combination of angel mythology, forbidden romance and intense action. Seventeen-year-old Violet Edens' whole life changed when she discovered she is Grigori—part angel, part human. Her destiny is to protect humans from the vengeance of exiled angels. Knowing who to trust is key, but when Grigori reinforcements arrive, it becomes clear everyone is hiding something—even her partner, Lincoln. And now Violet has to learn to live with her feelings for him while they work together to stay alive and stop the exiles from discovering the key to destroy all Grigori. It isn't easy. Especially when the electricity between her and exile Phoenix ignites, and she discovers his hold over her has become more dangerous than ever. The race halfway across the world to find the one artifact that could tilt the balance of power between Angels and Exiles brings them to the cradle of civilization, where Violet's power will be pushed to the extreme. And the ultimate betrayal exposed. A delicious romantic triangle. -USA Today One of the best YA novels we've seen in a while. Get ready for a confident, kick-butt, well-defined heroine. -RT Book Reviews Strong, compelling and wonderfully flawed, Violet is the kind of heroine that will keep readers enthralled and rooting for her until the final page is turned. -Kirkus Reviews

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
