

# Finding Good Farmland: How to Evaluate and Acquire Land for Raising Crops and Animals. A Storey BASICS® Title

Buying farmland is a major investment, so be sure you make an informed choice. This practical guide covers every factor you should consider before making a purchase, including government regulations, residential concerns from the surrounding area, soil conditions, and savvy financing. Ann Larkin Hansen shows you how to identify and refine your specific land needs using checklists and questionnaires. Whether you intend to grow abundant crops or graze a robust herd of livestock, Finding Good Farmland provides a roadmap to the land that's right for you.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
