

Backpacker Magazines Guide to the Appalachian Trail: 2nd Edition

Updated edition of the best-selling guide to the Appalachian Trail Maps and mileages provided for every section of the trail Fascinating information on trail history and geology Whether you're just setting out for a day hike or are planning to trek all the way from Maine to Georgia, Backpacker Magazines Guide to the Appalachian Trail is the definitive guide to the most famous footpath in the nation. Drawing on up-to-the-minute reports from hikers all along the length of the trail, it provides detailed descriptions of what terrain hikers can expect to find in any given section, along with information on local natural history and nearby towns and landmarks. Chapters on the geology of the trail and the history of its creation complete the picture, ensuring that this book will continue to be a well-worn resource for countless hikers.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
