

Ponder These Things: Praying with Icons of the Virgin (Borderlands)

What we call holy in the world - a person, a place, a set of words or pictures - is so because the completely foreign is brought together with the familiar and the everyday. No one embodies this more than Mary, who literally makes a home for the Creator of all things in her own body and in her own house - the strangest reality we can conceive. Here, Williams invites us to explore and reflect on the depths of meaning in three classic icons of the Virgin and her child from the Eastern Christian tradition. Icons have been described as theology in line and colour and, in tracing the movement within these icons, Williams discovers the pattern of love that they reveal, a love that invites and embraces us so that we no longer remain as spectators, but find ourselves caught up in the drama that unfolds itself before us.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
