

## Memoirs of Prince Eugene, of Savoy

Memoirs of Prince Eugene of Savoy (French: Francois-Eugene de Savoie, German: Eugen von Savoyen, Italian: Principe Eugenio di Savoia-Carignano; 18 October 1663 - 21 April 1736), one of the most successful military commanders in modern European history, rising to the highest offices of state at the Imperial court in Vienna. Born in Paris, Eugene grew up around the French court of King Louis XIV. Based on his poor physique and bearing, the Prince was initially prepared for a career in the church, but by the age of 19 he had determined on a military career. Rejected by Louis XIV for service in the French army, Eugene moved to Austria and transferred his loyalty to the Habsburg Monarchy. Spanning six decades, Eugene served three Holy Roman Emperors: Leopold I, Joseph I, and Charles VI.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
