

Sexuality and Relationship Education for Children and Adolescents with Autism Spectrum Disorders: A Professionals Guide to Understanding, Preventing ... and Responding to Inappropriate Behaviours

Children and adolescents with Autism Spectrum Disorders (ASD) require specialized teaching strategies when learning about puberty, sexuality and relationships. This professional resource offers practical teaching advice geared towards the needs of young people on the autism spectrum. Beginning with information on good practice, policy, teaching methods and recent research, the book then divides into key sex education topics that assist professionals in developing their own individualized and developmentally appropriate curricula. Covering issues of gender, public and private, puberty, hygiene, emotions, sex and more, each topic provides an overview of the difficulties that children with autism might experience, discussion and activity ideas and photocopyable resources including instructional stories, checklists and illustrations. The final section demonstrates how to respond to ongoing patterns of inappropriate behaviour and put together a behaviour plan. Aiming to explain and support the child's developing sexuality while also addressing crucial issues of safety, this book is a much-needed teaching manual for all professionals working with children and young adults with autism including educators in mainstream and special education, psychologists, therapists and social workers.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
