

## The Sweetest Spell

Emmeline Thistle, a dirt-scratchers daughter, has escaped death twice-first, on the night she was born, and second, on the day her entire village was swept away by flood. Left with nothing and no one, Emmeline discovers her rare and mysterious ability-she can churn milk into chocolate, a delicacy more precious than gold. Suddenly, the most unwanted girl in Anglund finds herself desired by all. But Emmeline only wants one-Owen Oak, a dairymans son, whose slow smiles and lingering glances once tempted her to believe she might someday be loved for herself. But others will stop at nothing to use her gift for their own gains-no matter what the cost to Emmeline. Magic and romance entwine in this fantastical world where true love and chocolate conquer all.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
