

## My Sweetest Escape

The Past Will Always Find You Jos Archer was the girl with the perfect life?until the night it all came crashing down around her. Now, nine months later, she still hasn't begun to pick up the pieces. Even transferring to a new college and living under the watchful eye of her older sister, Renee, isn't enough to help her feel normal again. And then she meets Dusty Sharp. For reasons Jos can't begin to fathom, the newly reformed campus bad boy seems determined to draw her out of her shell. And if she's not careful, his knowing green eyes and wicked smile will make her feel things she's no longer sure she deserves. But even as Dusty coaxes Jos to open up about the past, he's hiding secrets of his own. Secrets about the night her old life fell apart. When the truth is finally revealed, will it bring them closer together? or tear them apart for good?

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
