

Internet Marketing for Information Technology Companies: Proven Online Techniques That Increase Sales and Profits for Hardware, Software, and Networking Companies

While information technology (IT) companies have a special affinity for the Internet, they are not necessarily using Internet marketing to its fullest potential. Addressing the specific Internet marketing needs of IT companies and written for IT marketing pros, this how-to guide shows how to make the best of a Web site, get the most out of online advertising and e-mail marketing, build a Web community, and participate in affiliate marketing programs. Numerous case studies from IT companies are used to illustrate the concepts.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
