

Communication Skills Magic: Improve Your Relationships & Productivity through Better Understanding Your Personality Style and the Personality Styles of Those Around You

Our personality styles affect all areas of our lives. Communication Skills Magic, helps the reader easily identify the four personality styles - including one's own personality style - and communicate most effectively with each style; prevent or manage conflict with each style, motivate effectively each style; and much more. Self-knowledge, of course, goes beyond communication - the book also helps the reader understand the strengths and weaknesses of each style and gives concrete tips for each style on how to become more productive.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
