

# Auditing Human Resources

Human resource (HR) management covers a broad spectrum of workforce activities. Despite its integral role, HR is often considered a soft area and management may not understand the inherent risks involved with this function, including employment law issues, compensation and benefit plan design, recordkeeping, and potential fraud issues.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
