

Tropical Quests: A Key West Novel

A man in despair at the direction of his life visits, by chance, Key West. Tropical Quests is what happens next: a symphonic tale of love, life and wonderful eccentricity that leaves readers wishing they had been there on that magical island floating in its beautiful waters.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
