

The Thriver Workbook: Journey from Victim to Survivor to Thriver!

Can you imagine experiencing the part of you that has been untouched by violence, abuse, trauma, hurt and pain? There is a journey beyond merely surviving abuse. It is the Journey to the Real You the amazing place where positive energy flows and you are a THRIVER! The Thriver Workbook: Journey from Victim to Survivor to Thriver! is an invaluable book to help you take the critical next-step from survivor to thriver! It contains the motivational guidance Susan Omilian has successfully used in her My Avenging Angel Workshops since 2001. With easy-to-use worksheets, interactive writing exercises and inspirational success stories from those who have survived abuse, The Thriver Workbook takes the reader step-by-step, chapter-by-chapter, through the exercises, writing prompts and interactive activities that women enjoy in Susans two-day workshop. Also shared in the book are Thriver Success Stories, by women who have survived domestic violence and are now thriving. Visit Susans website at www.thriverzone.com for more information about Susan, her workshops and her workbook.
