

## The Thriver Workbook: Journey from Victim to Survivor to Thriver!

Can you imagine experiencing the part of you that has been untouched by violence, abuse, trauma, hurt and pain? There is a journey beyond merely surviving abuse. It is the Journey to the Real You the amazing place where positive energy flows and you are a THRIVER! The Thriver Workbook: Journey from Victim to Survivor to Thriver! is an invaluable book to help you take the critical next-step from survivor to thriver! It contains the motivational guidance Susan Omilian has successfully used in her My Avenging Angel Workshops since 2001. With easy-to-use worksheets, interactive writing exercises and inspirational success stories from those who have survived abuse, The Thriver Workbook takes the reader step-by-step, chapter-by-chapter, through the exercises, writing prompts and interactive activities that women enjoy in Susans two-day workshop. Also shared in the book are Thriver Success Stories, by women who have survived domestic violence and are now thriving. Visit Susans website at [www.thriverzone.com](http://www.thriverzone.com) for more information about Susan, her workshops and her workbook.
