

The Power of New Habits: Use the Power of New Habits to Unleash Your True Potential in Business and Life (POWERFUL MIND)

The POWER OF NEW HABITS is a new take on an important subject. Many books have been written with the purpose of helping their readers change their habits, improve their lives and achieve their full potential. Far fewer books have acknowledged that when a reader seeks help, he or she is already locked into a cycle of counterproductive habits, from which escape seems impossible. The Power of New Habits is a new take on an important subject. It will examine our many and various bad habits in depth, with a view to demonstrating how they're holding you back. The key to unlocking the power of new, more productive habits and all the success in life that they will ultimately bring you, lies in a better understanding of our current behaviour. The POWER OF NEW HABITS is the key to unlocking the power of new, more productive habits. We keep buying items we don't need, with money we don't have, because we don't know how to stop. We keep piling on the pounds and displaying obsessive behaviour because everybody else is doing it. In the long term it can be damaging to both our physical and mental health, yet we persist, and it's not that we don't know this or that we're not terrified of the consequences of our actions. It's that we simply lack the knowledge of how to strengthen our resolve. I'm going to change all that. I believe that in order to release an individual from their self-perpetuating cycle of misery and change their lives for the better we need to take a close look at their existing habits, why they occur, as well as the power habits wield over us. Habits can make us succeed or fail, so why not choose success? I'll teach you how in this book.. Buy it NOW!
