

# Britain Goes Camping: Camping, Cooking and Exploring the Great Outdoors

For generations, the British have been exploring the great countryside by tent and caravan. This nostalgic guide to Britain under canvas will help you to get out there and celebrate the great outdoors, whatever the weather. A range of handy hints from pitching a tent to building a campfire ensures you stay safe and dry throughout your outdoor adventure. With one pot recipes, barbeque, and picnic ideas it makes it easy to eat like a king even in the wilderness. Campfire Pizza, Sausage Stew, and Chicken Hot Pot are all delicious and simple to make, and many ingredients can be picked or caught locally, making the most of nature's food supply. There are games and outdoor adventures for all ages and dipping and tracking wildlife get you up close to nature, while kite flying and building a woodland den brings out the adventurer in everyone.
