In Rockpool Neil Perry shares his recipes for over 100 dishes, for everything from canapes to desserts, including Rockpools signature dishes. The imaginative but never complicated recipes have been written with an eye to the domestic kitchen, and will inspire you at home. Rockpool food is of the New World, rejoicing in the diversity of modern day Australia, and the quality and range of produce available. It is a meeting of Western tradition and Eastern technique, and the masterpieces Perry creates are a harmony and celebration of the two. Rockpool is part culinary journey, part reflection and a celebration of the possibilities of cooking.
