

The Vampire Diaries: The Hunters: Moonson

Evil never dies. . . . After escaping the horrors of the Dark Dimension, Elena and her friends cant wait to attend Dalcrest College, the beautiful ivy-covered campus where Elenas parents met. Life with Stefan is better than ever, and with her closest friends Bonnie, Meredith, and Matt by her side, Elena knows it will be their best year yet. Even Damon seems genuinely changed and is getting along with everyone. But for Elena, moving away from Fells Church doesnt mean she has left her dark past behind. When students start to disappear from campus, every new acquaintance is suddenly a potential enemy. Panic soon spreads and the friends struggle to protect each other. Then Elena uncovers a long-hidden secret, one that shocks her to the core, and realizes tragedy may be unavoidable. Will Elena outrun her fate? And will it be Stefan or Damon who catches her if she falls?

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
