

# Fearless Living: Live Without Excuses and Succeed Beyond Your Dreams

So many of us are held back by fear - in every aspect of our lives. Hugely inspirational writer and speaker Rhonda Britten goes beyond Susan Jeffers classic *Feel The Fear And Do It Anyway* to show us how to banish fear entirely. Describing how she herself overcame the personal tragedy of her father's murder of her mother, she explains the 3 key steps involved in reversing fortunes and making a success of our lives. First unblock potential, then dismantle self-defeating habits, and finally re-channel negative self-talk to turn your losses into wins and problems into possibilities. Both motivating and practical, Rhonda Britten includes case histories and exercises to help us identify, transform and move beyond our fears to a new life of physical, spiritual and emotional freedom.
