

Bridge to Healing: Finding Strength to Cope with Illness

Bridge to Healing is one of the most inspiring journeys through personal illness in years. I cannot imagine anyone who will not benefit from the practical methods that psychotherapist Israela Meyerstein devised to survive and thrive following her encounter with cancer. This is a marvelous account of the power of spirituality in enduring life's greatest challenges. It is also a work of great compassion, for it will lighten the burden of illness not only for the sufferer, but also for those who care for them.....Larry Dossey, M.D.

Bridge To Healing is just that ... a bridge to healing. Healing and curing are two distinct entities. When you heal your life, your body gets a live message and does all it can to help you to survive ... Cancer is a unique experience for each individual. When you are willing to explore your experience and ask what you are to learn from your journey through Hell, the curse can become a blessing ... Israela Meyerstein shares some of the universal themes one can find in many religions and philosophies which have proven to be effective. She shows us how to heal, find peace, and not wage a war against the cancer enemy and empower it. She shows us how to treat the experience and not just the result. She removes the guilt, shame and blame issues, and like Maimonides, understands that disease is not God's punishment ... What you need to do is seek help by looking for what you have lost: your health. I have seen self-induced healing occur when people had faith, left their troubles to God, and had their cancers disappear. I have learned from exceptional patients about survivor behavior. God loves His children and our healing potential is amazing. So read on and learn from the wisdom of the sages and ages that you are not a diagnosis or a statistic. You are a survivor....Bernie S. Siegel, M.D.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
