

From Head to Tummy

Give your daughter the peace and freedom that come from knowing the truth about food, self-assurance, and real beauty. It's never too early to help your child build a healthy body image. According to The National Eating Disorders Association: 42% of 1st-3rd grade girls want to be thinner; 81% of 10-year-olds are afraid of being fat. Your daughter will journey with the adorable Ashley as she's faced with life's unavoidable moments that create confusion about food and her body. She will discover the truth and find happiness in learning how to listen to her tummy's signals, use tools to deal with social pressure, and focus on her true beauty. From Head To Tummy provides vital tips and assignments for mothers to help build a strong foundation of worth for themselves and their daughters, as well as help them create a healthy relationship with food and their families.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
