

Infant/Toddler Photo Activity Library: An Essential Literacy Tool

This essential teaching tool helps caregivers and teachers develop language and pre-literacy skills with infants and toddlers. The sturdy four-color photo cards are organized into 8 different themes. Each of the 52 cards has a photograph of people and objects that infants and toddlers encounter every day. The back of each photo card features a vocabulary list, suggested activities to expand the learning, the American Sign Language sign related to the image, and a recommended childrens book. Compatible with any curriculum, this resource is a valuable tool for infant and toddler caregivers. It is a wonderful addition to Parent Resource Libraries. Photo cards are 9 X 12 Themes Include: Families Big Animals Pets Things I Wear Toys Transportation Construction Me and My Body

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
