

Dim Sum: Delicious Asian Finger Food

Fiona Smith shows you how to make some of the best dim sum -- and lots of modern variations. She has included dishes from Thailand, Vietnam, Malaysia, and Japan, as well as from China -- all ready for you to recreate when you entertain. Fionas ideas are based on tried-and-true, easy-to-prepare recipes that she uses in her own catering business. The emphasis is on lots of flavor, finger-food-sized morsels, and cooking methods that are simple enough for home cooks to manage. Just one or two of these recipes will make all the difference to your next party.
