

Book Promo 201: Harness the power of the Internet with Web 2.0 and Social Media Marketing

Have you heard of Web 2.0 and Social Media Marketing? Do these sound like high tech terms? The majority of people on the internet are using these things each day. Are you on Facebook or MySpace? Did you ever Digg a web page? Those are examples of Web 2.0 and Social Media Marketing. There seem to be an unlimited number of social networking web sites, but one key is knowing which sites are beneficial for you. Another key is understanding how and why to use them. Those are just a couple of things this book can answer for you in a down to earth and conversational manner. Award winning author Nikki Leigh explains branding, viral marketing, Web 2.0, blogs, podcasting, virtual tours, social networking and social bookmarking sites and much more. With that information and over 1000 resource links, this is a book that you will turn to again and again as you create an expanded and effective presence on the Internet to promote yourself and your books.
