

Both Sides of the Fence

Corey is a young man who was born and raised in New York City. Raised by both parents and his father being a pastor. While enjoying his twenties, he was introduced to The Village and alternative life styles. He struggles with intimacy between him and his girl friend. Being a victim of molestation as a child plays a part in his sexual preferences. This sends him on an erotic sexual conquest journey, in his prime years of his life. He faces a dilemma that has him stressed and feeling only God can help him. He becomes tired of living his life in pain and deceit. His story will make women and parents pay closer attention to their lover and one's children. As Corey reveals the secrets of men who are closeted and some signs to look for. As he tries to straighten out his own secret life that he lives. He struggles wondering if he had never been molested, would he be living his life on BOTH SIDES OF THE FENCE.
