

Millionaire Mystique: How Working Women Become Wealthy - And How You Can, Too!

Based on a unique three-year study of nearly 200 self-made millionaires, *The Millionaire Mystique* uncovers the surprising secrets, individual stories and pivotal career decisions of successful and happy millionaire women. Startlingly, the research shows that no silver spoon is required and personal setbacks and career detours challenged but did not stop later success. In *The Millionaire Mystique*, Jude Miller Burke, a business psychologist, executive coach and self-made millionaire reveals: The Big Five personality traits that predict success. The winning work and leadership styles that get results. The self-management techniques key to balancing a healthy work and family life. Regardless of background, upbringing, or financial situation, this is a book that should be read by all women (and men) intent not only on personal wealth, but also happiness. Authors profits from the sale of this book will be donated to the Fresh Start Womens Foundation.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
