

Daisy: Edwardian Candlelight 7

Daisy Jenkins never expected to be anything more than a trespasser on the idyllic lawns of Marsden Castle. Then suddenly she was admitted into the seemingly magic circle of the Earl and Countess of Nottenstone, where she awaited the arrival of the notorious Lord Chatterton; her father - a stranger whose very name was foreign to her. She was suddenly Daisy Chatterton, surrounded by aristocratic sharks who seemed to both court as well as mock her. And why did the elegant Duke of Oxenden offer his protection to this newcomer who made him laugh at the very word love? She was determined to show them all! She'd prove there was such a thing as true love, no matter how hard, or how far she had to search to find it!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
