

Learning to Let Go: The transition into residential care

Sooner or later many of us will have to go into care. How do we, and those who are involved in our care, make wise choices? This book is written both for those preparing to enter residential care and for those (professionals, volunteers, pastors, family members and friends) who can offer support to ease the struggle of transition.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
