

Roll On! Discovering the Wild Stikine River

This is a survey of the Stikine River which flows through northern British Columbia and Alaska. This full color book covers the human and natural history of the region as well as some of the colorful people who live and work in this largely pristine country. The river flows through wilderness studded with glaciers and mountains. Its largely-unknown natural beauty attracts paddlers from around the world. The book includes over 70 color photographs, archival black and white photos and maps.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
