

Sky Hostess: A Year in the Life of Mia (Volume 2)

Fasten your seatbelts for one hilariously wild and bumpy ride. Twenty-five year old, Mia Madison, is the blonde bombshell of the skies. Employed as a flight attendant and working part-time as a member of an underground escort service, Sky Hostess, she is raking in the big bucks. Living life on the edge with her two best friends, level-headed, yet unpredictable, Koko, and crazy and violent, foul-mouthed, Kiylo, there isn't anything they won't do to fatten their bank accounts. That is, until, Mia has a chance encounter with the man of her dreams, sexy Italian, Caden Giordano, with whom she falls recklessly in love. Not only does it turn her life upside down, but her best friends are along for the ride. Bad decisions, outlandish behavior, and blood splattered fights, are just a few things that prevent Mia from acquiring her dream home on the beach AND her Italian Stallion, but she remains determined. Her arrogance, lies, deceit, profanity, and cringe worthy behavior, may cost her the chance to be loved by the man of her dreams when she is faced with thought provoking decisions that not only turn her life upside down, but also turns it around, but is it for the better? Sit back, buckle up, and prepare yourself for an outrageous, erotic, humorous, and foul mouthed ride.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
