

The Tragedy of King Lear (The New Cambridge Shakespeare)

For this updated critical edition of King Lear, Professor Halio has added a new introductory section on recent stage, film, and critical interpretations of the play. He gives a comprehensive account of Shakespeares sources and the literary, political and folkloric influences at work in the play; a detailed reading of the action; and a substantial stage history of major productions. Professor Halio chooses the Folio as the text for this edition. He explains the differences between the quarto and Folio versions and alerts the reader to the rival claims of the quarto by means of a sampling of parallel passages in the Introduction and by an appendix which contains annotated passages unique to the quarto. An updated reading list completes the edition.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
