

Writers Journal: 30 Days of Visualization

The Writers Journal takes you on a 30 Day journaling journey to writing and finishing your book! This book is dedicated to those who teach the law of attraction and abundance! These visualization writing prompts will help you use your mind to achieve your goals! Consider this Writers Journal a scrapbook for your mind, so you can release through words what is in your head to better make sense of it all...as you get clearer and clearer, so will the vision of beginning and finishing your book, even to publication if you so choose.

Believe It and Then Take Action! 30 Days of Journaling Includes 2 Extra Day Pages to Cover Those 31 Day Months for a total of 32 Journal Pages! Visualizations are images, ideas, feelings, imagination, and inspirations! Days 1-15: Visualize Writing Your Book with Inspiration. What did you see and feel? Days 16-30: Visualize Finishing Your Book with Imagination. What did you see and feel? More importantly, write down your dreams, inspirations, and the reasons you want to write! The second 15 pages are for you to really wrap your imagination around finishing your book. Even if at this point your book is not started, just by imagining what it would feel like to finish it can motivate you to take the next steps to complete your book!
