All readers will appreciate the wealth of information about each trail areas varied history, geology, and amenities. As a longtime resident of San Diego and an avid outdoorsman, the author shares his favorite panoramas and pocket nirvanas in this Southern California region. He knows the nooks and crannies of his destinations, and he corrals them into this easy-to-follow, practical-to-use book. He divides San Diego into 5 micro-regions, with an overview map of the entire area. Then each individual entry includes a detailed map, directions to the trailhead, an at-a-glance info box, and personally written descriptive text. Design, information, and the authors writing style make this a compelling resource for local residents, and a keepsake for visitors.
