

Retailing Principles Second Edition: Global, Multichannel, and Managerial Viewpoints

What is retailing today? Who are the players and how do they operate? And what will happen tomorrow? These are just some of the questions addressed by *Retailing Principles: Global, Multichannel and Managerial Viewpoints, 2nd Edition*, which has been thoroughly updated to reflect current trends and conditions in the global retail market. An essential companion for any student seeking a career in the world of retail, the text focuses on the strategies that retailers both large and small are employing to thrive in this challenging economic climate, and in a marketplace where globalization, multi-channel retailing, and issues of sustainability are dominant factors.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
