

Managing Teen Anger and Violence: A Pathways to Peace Program

Using anger to feel powerful, many teens exhibit classic signs of addictive behavior that can be successfully treated with the techniques outlined in this book. Filled with personal stories and vignettes, the book helps teens identify anger as a problem, recognize how they use anger like a drug, find non-violent ways to experience personal power, learn to change abusive and violent behavior, change attitudes and beliefs, avoid relapse into violent behavior, and much more.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
