

Evernote: How to use Evernote to Organize & Simplify your Life

Evernote How to use Evernote to Organize & Simplify your Life Evernote will help you say goodbye to Post-It notes on your monitor, scraps of paper on your desk, and a disorganized, forgetful mind. Yes I know, there's lots going on in your life and it's not always easy to concentrate. But let's be honest. You probably won't be un-cluttering your life any time soon. Distractions are always going to be there and so are the excuses when you forget important stuff. Why not let Evernote cut through the clutter, noise and distraction, and drag you kicking and screaming into a better, better organized & simplified lifestyle, where excuses are a thing of the past? Evernote is a great time management tool for busy people. This book covers Evernote Web, Evernote for PC, Evernote for Mac, Evernote for Android & Evernote for iOS. No matter which device(s) you use, I've got you covered. Evernote is the #1 time management app for shopping lists, to-do lists, names, numbers, important information, phone numbers, flight details, medical records, appointments, reminders, family events or kids achievements... Need I go on? In Evernote, How to use Evernote to Organize & Simplify your Life, you will learn: About the different versions of Evernote.
