Aomori has returned from their tour to Europe and preparing for the christening of Shaundra and Ichiro's twins, Raiden and Ryoto. Shaundra and Ichiro are still separated, but it is Ichiro's dream to celebrate Christmas as a family at the farmhouse. A new band has arrived on the scene and their publicist Cristal thinks they're demons from hell. Eighteen-year-old Kioshi Yamashita wants to be the man in Cristal's life. Cristal finds it funny since he's nine years her junior and barely reaches her breasts. Takumijo finds it's not easy to juggle two lovers. Sometimes things just get down and dirty when hormones and testosterone collide.
