

# Always Dreaming: A Five-Step Technique for Interpreting Our Waking Dream-Like Conflicts

At night we dream, but what about during the day? Are the experiences of our waking lives any different than those scenes that come to us while we sleep? The book *Always Dreaming* questions the nature of our daytime experiences. It argues that the perplexing or upsetting events of our waking hours are far more significant than we realize. They are in fact designed to instruct, not to distress. They unsettle us only because they are trying desperately to attract our attention. *Always Dreaming* teaches a simple, five-step technique for interpreting these dream-like conflicts. When we recognize upsetting events as metaphysical messages, then act on our new understanding, solutions present themselves, and these daytime irritants--called waking dreams--cease. An instructive narrative follows participants from their initial confrontations to the profound spiritual understandings and life changes that come when their dilemmas are resolved.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
