

On the Rebound (Irving University) (Volume 1)

Sabotaged by scandal, basketball coach Greg Miller can't find work in the men's division. Humble and defeated, he takes a job as an assistant coach for a women's college team. Deciding that he's going to make the best of it and clear his name of any wrongdoing, Greg sets out to make a difference and prove himself to everyone who doubted him. When circumstances arise and a valuable player needs some help, the coach begins working alongside elegant and determined academic advisor Ciara Monaghan. Soon, Greg finds he needs more than just a victory on the court.

Disgusted by his immoral reputation, Ciara steers clear of the basketball coach's full court press. However, as they are forced together and the truth comes out, Ciara realizes there is more to Greg than she ever realized. With the season coming to an end and the clock running out, will one of them take the shot and finally change the game?
