

Sexaholics

Miki, Valencia, Teela Raye, and Brandi share one thing...they are all addicted to sex. United through Sexaholics Anonymous, these women try to recover from their dependence on wild, spontaneous, and even sometimes, dangerous sex. From whips and chains, to sex in public, they have done it all! Led by Dr. Rachel Cummings, each woman takes the first step to recovery by sharing her biggest sexual act with the group. SEXAHOLICS takes readers through the outrageous experiences of four women on their long path to success.
